Flessibile nella modularità, Idea permette di risolvere facilmente composizioni in linea, ad angolo e anche mansardate, adattandosi ad ogni architettura. Nelle composizioni a spalla potete scegliere finiture differenti per schiene, fianchi e ripiani, per un numero di combinazioni praticamente infinito.

With flexible systems, Idea allows you to easily achieve seamless corner and attic lay-outs, adapting to any configuration.

In bookcase lay-outs you can choose different finishes for back panels, side panels and shelves, in order to reach endless combinations.

Le nuove finiture introdotte in Idea Giorno, tra le quali i decori marmo, oggi in gran voga, disponibili per i top, ampliano ulteriormente le possibilità di scelta, per soddisfare senza rinunce il gusto di tutti.

Insieme alle tante finiture materiche e alla moda, l'inserimento di ripiani in vetro, ante con vetro fumé e mensole U-Form dinamizza ulteriormente le composizioni e consente di modulare gli effetti secondo il proprio estro.

Una buona Idea: più spazio al relax! A good idea: more space for relaxation!

Idea! Luci a Led per eleganza e comfort

Invisibili da spente, le luci a Led creano sofisticati effetti di luce per rendere ancora più raffinata la composizione, dare risalto ai vostri oggetti preferiti e creare anche la corretta retroilluminazione dello schermo TV, per rendere la visione sempre piacevole e rilassare i vostri occhi.

Idea! LED lights for elegance and comfort

Invisible when turned-off, LED lights create sophisticated effects to make the lay-out even finer, to emphasize your favorite collections and also create the correct TV screen backlight, to make the viewing always pleasing to the sight and relaxing for your eyes.

Idea si trasforma, come vuoi e quando vuoi

I moduli scrivania e gli elementi con ante scorrevoli trasformano la composizione ampliando gli spazi vitali della tua abitazione e adattandola alle diverse esigenze della giornata, celando al proprio interno la TV, quando non la guardate, o addirittura una completa e attrezzatissima postazione di lavoro Home Office.

Idea creates what you want and when you want it

Desk modules and sliding doors modules transform the lay-out expanding the living spaces of your home and adapting it to the different daily needs, concealing the TV, when you do not watch it, or even a complete and well-equipped home office workstation.
